

## STANDALE – DOWNTOWN WALKER PARKING STUDY SURVEYS

Standale DDA Owners / Operators: Your DDA officials initiated a downtown parking study on 2-21-17. An essential part of the study involves surveys of business owners / operators, employees and customers.

Please post this survey flyer where your employees and customers can access the QR codes below. A smartphone app can read the code. Survey takers will be linked to the digital form of the survey on the internet. Survey responses will be tabulated and reported at a public meeting.

Those without a QR code reader can access the online surveys using the following links:
