SEE INSTRUCTIONS ON REVERSE SIDE

LINE 3 INSTRUCTIONS — If you work for this employer in two or more cities or communities, print names of the two Michigan cities or communities where you perform the greatest percent of your work. Circle the closest percent of total earnings for work done or services rendered in each city or community listed. The estimated percent of total earnings from this employer for work done or services performed within taxing cities (line 3 on other side) is for withholding purposes only. In determining final tax liability this estimate is subject to substantiation and audit.

DEPENDENTS — To qualify as your dependent (line 6 on other side), a person must qualify as your dependent for purposes of the Internal Revenue Code.

CHANGES IN EXEMPTIONS — You should file a new certificate at any time if the number of your exemptions **INCREASES**.

You must file a new certificate within 10 days if the number of exemptions previously claimed by you **DECREASES**.

OTHER DECREASES in exemption, such as the death of a spouse or a dependent, do not affect your withholding until the next year, but require the filing of a new certificate by December 1 of the year in which they occur.

CHANGE OF RESIDENCE — You must file a new certificate within 10 days after you change your residence from or to a taxing city.

CHANGES IN EMPLOYMENT — You must file a new certificate by December 1 of each year if your line 3 estimate of the percent of work done or services to be rendered in cities levying an income tax will change for the ensuing year.

EXTRA EXEMPTIONS — Additional withholding allowances (extra exemptions), which are allowed for Federal income tax purposes and are claimed on Schedule A of Federal Form W-4, are not allowed for WALKER income tax purposes.
