

## Walker City News Annual Newsletter Photo Entry Judging Entry Information and Rules:

The Walker City News Annual Newsletter Photo Contest is judged by a small team of City of Walker Staff. They will carefully review all contest photos and judge with the highest standards and consistency.

Our judges use the following criteria when they are rating the entries:

- Clarity of the Photo & Resolution
- Image Setting
- Creativity
- Overall 'wow' factor
- Images that positively reflect our City

**Entry Rules:** Photos can be professional or amateur, but you must own rights to any photos submitted or have written authorization for professional photos. You must be 18 years or older. You may enter as many photos as you wish. Our contest rules are intended to offer fair contests; all submitted photos have an equal opportunity of being scored. Photos are judged with no discrimination towards gender, race, or age. All decisions are final.

Winner will be chosen on Friday, February 7 and contacted via email. Their winning photo will be printed and displayed on the front cover of 'Walker City News', our annual printed newsletter mailed out to all Walker residents and businesses. Runner-up photos may be featured on the interior pages. All photos submitted through this entry form may be used on social media, monthly e-newsletters and in our Walker Master 2040 plan with credit to the photographer.
