

E-file your 2024 Walker Income Tax Return

Once again, we will be accepting 2024 Walker resident and non-resident returns by e-file. If you use a paid tax preparer that e-files your federal and state return, they will be able to e-file your Walker return this year. If you use TaxAct software/online tax program to prepare your own federal and state returns, you will be able to e-file your Walker return this year. Visit the [TaxAct](#) site for more information. **Please note that other software/online tax programs used for self-prepared returns (TurboTax, H&R Block) do not participate with direct Michigan local e-filing.**

We do have an option beginning with 2024 returns that you can upload your TurboTax or other select self-prepared returns by visiting our Insource site at <https://michigan-walker.insourcetax.com/#/> and following the prompts to download a return. You may also use a fillable type form on this same site if desired. ***Please note: Submission should include all schedules/forms/W-2s, etc. as indicated. A prior knowledge of tax return preparation may be beneficial when submitting a return using this site.**
