(8) As used in this section:

## REVENUE SHARING

Sec. 950. The funds appropriated in part 1 for constitutional revenue sharing shall be distributed by the department of treasury to cities, villages, and townships, as required under section 10 of article IX of the state constitution of 1963. Revenue collected in accordance with section 10 of article IX of the state constitution of 1963 in excess of the amount appropriated in part 1 for constitutional revenue sharing is appropriated for distribution to cities, villages, and townships, on a population basis as required under section 10 of article IX of the state constitution of 1963.

Sec. 952. (1) The funds appropriated in part 1 for city, village, and township revenue sharing are for grants to cities, villages, and townships such that, subject to fulfilling the requirements under subsection (3), each city, village, or township that received a payment under section 952(1) of 2019 PA 56 is eligible to receive a payment equal to 100.0% of its total eligible payment under section 952(1) of 2019 PA 56, rounded to the nearest dollar. For purposes of this subsection, any city, village, or township that completely merges with another city, village, or township will be treated as a single entity, such that when determining the eligible payment under section 952(1) of 2019 PA 56 for the combined single entity, the amount each of the merging local units was eligible to receive under section 952(1) of 2019 PA 56 is summed.

(2) The funds appropriated in part 1 for the county incentive program are to be used for grants to counties such that each county is eligible to receive an amount equal to 20% of the amount determined pursuant to the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921. The amount calculated under this subsection shall be adjusted as necessary to reflect partial county fiscal years and prorated based on the total amount appropriated for distribution to all eligible counties. Except as otherwise provided under this subsection, payments under this subsection will be distributed to an eligible county subject to the county's fulfilling the requirements under subsection (3).

(3) For purposes of accountability and transparency, each eligible city, village, township, or county shall certify by December 1, or the first day of a payment month, that it has produced a citizen's guide of its most recent local finances, including a recognition of its unfunded liabilities; a performance dashboard; a debt service report containing a detailed listing of its debt service requirements, including, at a minimum, the issuance date, issuance amount, type of debt instrument, a listing of all revenues pledged to finance debt service by debt instrument, and a listing of the annual payment amounts until maturity; and a projected budget report, including, at a minimum, the current fiscal year and a projection for the immediately following fiscal year. The projected budget report shall include revenues and expenditures and an explanation of the assumptions used for the projections. Each eligible city, village, township, or county shall include in any mailing of general information to its citizens the internet website address location for its citizen's guide, performance dashboard, debt service report, and projected budget report or the physical location where these documents are available for public viewing in the city, village, township, or county clerk's office. Each city, village, township, and county applying for a payment under this subsection shall submit a copy of the performance dashboard, a copy of the debt service report, and a copy of the projected budget report to the department of treasury. In addition, each eligible city, village, township, or county applying for a payment under this subsection shall either submit a copy of the citizen's guide or certify that the

city, village, township, or county will be utilizing treasury's online citizen's guide. The department of treasury shall develop detailed guidance for a city, village, township, or county to follow to meet the requirements of this subsection. The detailed guidance shall be posted on the department of treasury website and distributed to cities, villages, townships, and counties by October 1.

(4) City, village, and township revenue sharing payments and county incentive program payments are subject to the following conditions:

(a) The city, village, township, or county shall certify to the department that it has met the required criteria for subsection (3) and submitted the required citizen's guide, performance dashboard, debt service report, and projected budget report as required by subsection (3). A department of treasury review of the citizen's guide, dashboard, or reports is not required in order for a city, village, township, or county to receive a payment under subsection (1) or (2). The department shall develop a certification process and method for cities, villages, townships, and counties to follow.

(b) Subject to subdivisions (c), (d), and (e), if a city, village, township, or county meets the requirements of subsection (3), the city, village, township, or county shall receive its full potential payment under this section.

(c) Cities, villages, and townships eligible to receive a payment under subsection (1) shall receive 1/6 of their eligible payment on the last business day of October, December, February, April, June, and August. Payments under subsection (1) shall be issued to cities, villages, and townships until the specified due date for subsection (3). After the specified due date for subsection (3), payments shall be made to a city, village, or township only if that city, village, or township has complied with subdivision (a).

(d) Payments under subsection (2) shall be issued to counties until the specified due date for subsection (3). After the specified due date for subsection (3), payments shall be made to a county only if that county has complied with subdivision (a).

(e) If a city, village, township, or county does not submit the required certification, citizen's guide, performance dashboard, debt service report, and projected budget report by the first day of a payment month, the city, village, township, or county shall forfeit the payment in that payment month.

(f) Any city, village, township, or county that falsifies certification documents shall forfeit any future city, village, and township revenue sharing payments or county incentive program payments and shall repay to this state all payments it has received under this section.

(g) City, village, and township revenue sharing payments and county incentive program payments under this section shall be distributed on the last business day of October, December, February, April, June, and August.

(h) Payments distributed under this section may be withheld pursuant to sections 17a and 21 of the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.917a and 141.921.

(5) The unexpended funds appropriated in part 1 for city, village, and township revenue sharing and the county incentive program shall be available for expenditure under the program for financially distressed cities, villages, or townships after the approval of transfers by the legislature pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(6) Any city, village, or township eligible to receive a payment under subsection (1) and determined to have a retirement pension benefit system in underfunded status under section 5 of the protecting local government retirement and benefits act, 2017 PA 202, MCL 38.2805, must allocate an amount equal to its current year eligible payment under subsection (1) less the sum of its eligible payment for city, village, and township revenue sharing in 2019 PA 56 to its pension unfunded liability. A city, village, or township that has issued a municipal security under section 518 of the revised municipal finance act, 2001 PA 34, MCL 141.2518, is exempt from this requirement.

Sec. 955. (1) The funds appropriated in part 1 for county revenue sharing shall be distributed by the department of treasury so that each eligible county receives a payment equal to 104.5619% of the amount determined pursuant to the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921, less the amount for which the county is eligible under section 952(2) of this part. The amount calculated under this subsection shall be adjusted as necessary to reflect partial county fiscal years and prorated based on the total amount appropriated for distribution to all eligible counties.

(2) The department of treasury shall annually certify to the state budget director the amount each county is authorized to expend from its revenue sharing reserve fund.

(3) Any county eligible to receive a payment under subsection (1) and determined to have a retirement pension benefit system in underfunded status under section 5 of the protecting local government retirement and benefits act, 2017 PA 202, MCL 38.2805, must allocate an amount equal to the sum of its current year eligible payment for county revenue sharing and the county incentive program less the sum of its 2019 PA 56 eligible payment for county revenue sharing and the county incentive program to its pension unfunded liability. A county that has issued a municipal security under section 518 of the revised municipal finance act, 2001 PA 34, MCL 141.2518, is exempt from this requirement.

Sec. 956. (1) The funds appropriated in part 1 for financially distressed cities, villages, or townships shall be granted by the department of treasury to cities, villages, and townships that have 1 or more conditions that indicate probable financial distress, as determined by the department of treasury. A city, village, or township with 1 or more conditions that indicate probable financial distress may apply in a manner determined by the department of treasury for a grant to pay for specific projects or services that move the city, village, or township toward financial stability. Grants are to be used for specific projects or services that move the city, village, or township toward financial stability. The city, village, or township must use the grants under this section to make payments to reduce unfunded accrued liability; to repair or replace critical infrastructure and equipment owned or maintained by the city, village, or township; to reduce debt obligations; or for costs associated with a transition to shared services with another jurisdiction; or to administer other projects that move the city, village, or township toward financial stability. The department of treasury shall award no more than \$2,000,000.00 to any city, village, or township under this section.

(2) The department of treasury shall provide a report to the senate and house of representatives appropriations subcommittees on general government, the senate and house fiscal agencies, and the state budget office by March 31. The report shall include a list by grant recipient of the date each grant was approved, the amount of the grant, and a description of the project or projects that will be paid by the grant.

(3) The unexpended funds appropriated in part 1 for financially distressed cities, villages, or townships are designated as a work project appropriation, and any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for projects under this section until the projects have been completed.
