"A PLACE TO

# A letter from the Mayor

It is with the greatest of honor that I share this annual newsletter update with you. It seems like my first year serving went by faster than I could have imagined. As I speak with our previous mayors, we will all acknowledge that the one constant in our city is how well our city staff support and serve our community.

In 2019, we saw the acceleration of growth in our community. Growth comes with change and often challenges that may seem intolerable at that time. I have learned, Walker finds a way to work through challenges and turn them into opportunities. It is understandable that one might wonder what's going to happen with an incoming housing development or business and may express concern. I want to assure you that our growth is managed with a strategic focus to ensure our city is sustainable. Our city began its humble roots as a rural township with dirt roads and little infrastructure to support it. The change to present day did not happen overnight. At times (including over the last few months), city leaders will sometimes decide to slow the growth to ensure it is controlled. I believe that is one of the times that leadership in our city is at its best.

Recently, our City Commission and Department Leaders came together in our Annual Strategic Planning Session. We review and refine the city's strategic priorities as needed. Here are the findings:

1. Top Priority: **Road funding/transportation master plan/mobility/sidewalks/new development/connectivity of roads:** As we develop our 2020-21 Fiscal Year Budget, the investments we plan to make here are aligned with those priorities.
2. The following three priorities were tied for second:
  - a. **Paying down our long-term liabilities:** we have a philosophy of borrowing as little as possible and maximizing payments on what we owe. I am incredibly proud of our city managers and staff who make being fiscally responsible a top priority.
  - b. **Creating/clarifying our city's identity:** The city identity is one that is unique to Walker. Challenges include the fact that Walker has three school districts, two very distinct retail/shopping districts in Alpine and Standale and many different neighborhood communities within city limits. Creating a strong sense of identity will ultimately strengthen the feeling of community within Walker.
  - c. **Intersection safety:** We continue to work with our partners at MDOT, and State Representative Huizenga, for funding, design, and implementation of improved intersections where they are needed. The first intersection to be tackled is the intersection of 3 Mile and Remembrance. This is a geometrically challenging area that has had high speed crashes with unfortunate fatalities as a result. I can proudly say that city staff and MDOT are finalizing the design plans for this project to put in front of the City Commission for approval in 2020.
3. Rounding out the top three areas are two more priorities:
  - a. **Diversifying the funding sources for the city:** we are very reliant on the City Income Tax that was instituted in the late 1970's. Over the last two years the City Income Tax represents about 66-67% of our funding. Relying on such a large percentage for our revenue can be a problem. What we have done to mitigate that risk is accelerate our long-term debt payments, as well as setting aside funds for our larger capital purchases or improvements. This has worked well for us, and the city's financial position has strengthened the last few years to what I believe is a sustainable level for the near future.
  - b. **New community center/library:** A long overdue need of our community, I am confident that with the number of surveys and community open houses we held gauging public interest and support, we are in a go-forward position. We are finalizing the details and we will have more specifics out in coming months.

In closing, my outlook for the City of Walker is strong with confidence. Because we review and refine the priorities outlined above, we remain in excellent financial shape. We will continue to proactively invest in public safety and our roads/infrastructure to stay ahead of our projected growth. In my first newsletter as Mayor last January, I committed to you that "we will strive to make 2019 a year that we find ways to improve the service and experiences you have with the City departments." Based on the feedback and interactions I have received; I believe we have delivered on that commitment. We will continue to try to raise that bar in 2020. I am reminded each day of what a humbling privilege it is to serve you as Mayor of Walker.

When the mailbox is damaged by direct contact with our equipment, the Department of Public Works will:

- Repair, if possible or
- Replace with a standard mailbox and post, or
- Compensate owner for damage (\$15.00 for box, \$5.00 for post). Owner responsible to repair and replace.

Repair and/or replacement of mailbox by Department of Public Works may take several days depending on storm conditions and workload.

# Walker Fire Department

DON'T WAIT - CHECK THE DATE! REPLACE SMOKE ALARMS EVERY 10 YEARS!

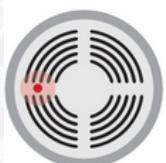

A closed door may slow the spread of smoke, heat and fire.

Test smoke alarms at least once a month by pushing the test button.

If the smoke alarm sounds, get outside and stay outside. Go to your outside meeting place.

Install smoke alarms in every bedroom, outside each separate sleeping area, and on every level of the home, including the basement. Larger homes may need more alarms. For the best protection, make sure all smoke alarms are interconnected. When one sounds, they all sound.

Call the fire department from a cellphone or a neighbor's phone. Stay outside until the fire department says it's safe to go back inside.

For more information about smoke alarms, visit [usfa.fema.gov](http://usfa.fema.gov) and [www.nfpa.org](http://www.nfpa.org)

## BURNING PERMIT

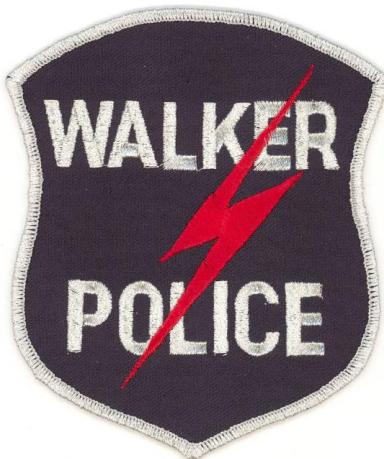

By order of the City of Walker Fire Department, an annual burning permit is required for residential burning of branches and small twigs. No other residential or commercial burning is allowed in the City of Walker. Burning season is April 15 to May 15 and October 15 to November 15 on Mondays, Wednesdays and Saturdays only. Burn permits will be available online at [www.walker.city](http://www.walker.city) after April 1, 2020.

## COMMUNITY RESOURCES & HIGHLIGHTS

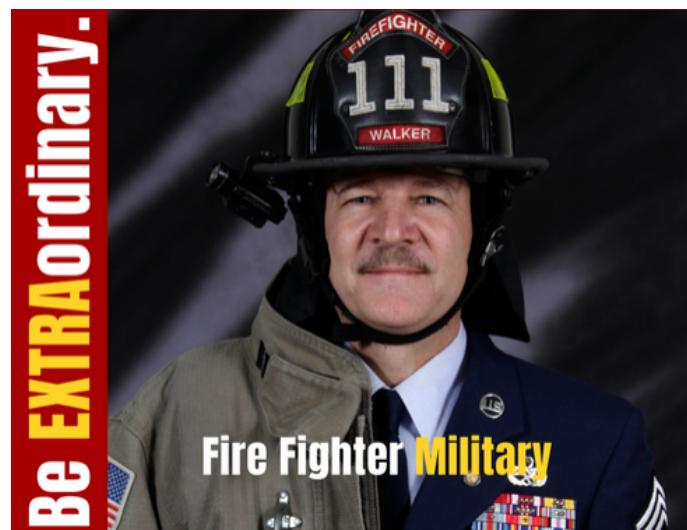

@WalkerPoliceDept

2020 brings another year of opportunity for residents to be proactive in their communities when it comes to crime prevention. We look forward to offering several seminars or events through out the year for residents to learn about various topics, prevention methods, or to simply interact with Walker officers.

You will likely see some transition within the department as well, as retirements and new assignments have the staff here moving into new spots. Jason Frank & Andrew Jeltema have been promoted to Sergeant & Corporal, respectively, and Brandyn Heugel will slide into the role of Administrative Sergeant, leaving her current role as a road patrol supervisor. We are continuing to hire great new officers, as more retirements loom later in the year and 2021. Our current Community Resource/School Liaison Officer, Mitch Harkema, will be reassigned as well, as we begin looking to create more of a team approach to the position.

As the city continues to grow and change, one thing remains the same. If you observe something potentially criminal, suspicious, or need emergency assistance, please dial 911. This is the fastest way for officers to get dispatched somewhere to assist & investigate. In today's increasingly social media driven world, we often see incidents reported in a public Facebook post, a tweet, or other similar posting, in hopes that it gets shared enough to find its way to the appropriate law enforcement agency. Even with things that "go viral," the events are usually long since passed and cannot be investigated properly. So please, CALL 911 when it is needed! You can message our Facebook page with general questions, but please be advised it is not monitored 24/7, and responses can be delayed.

We wish you a safe and happy new year and look forward to serving and protecting you in 2020!

# Walker Income Tax Department

2019 WALKER INCOME TAX RETURNS ARE DUE APRIL 30, 2020

We will be happy to prepare your Walker return free of charge at the counter. Please call 616-791-6880 for an appointment.

Mailing address for returns:

Walker Income Tax Department  
PO Box 153  
Grand Rapids, MI 49501-0153

Office location—drop returns in the gray drop box outside or at the

Income Tax counter:

4243 Remembrance Rd. NW  
Walker, MI 49534

*Please put your phone number on your return.*

## Who must file:

Every resident or part-year resident of Walker (this includes renters) who had taxable income in 2019 of \$600 or more must file a return. More information on taxable income can be found here:

[www.walker.city/government/departments/income\\_tax/income\\_tax\\_faqs.php](http://www.walker.city/government/departments/income_tax/income_tax_faqs.php)

All Walker addresses have Grand Rapids mailing addresses so please do not assume you are not a Walker resident based on your mailing address. Visit the following link on the Walker website to check whether your address is within the city limits of Walker and click on the Street Directory link on the right side of the page.

[www.walker.city/government/departments/assessing/index.php](http://www.walker.city/government/departments/assessing/index.php)

If you have past years of Walker returns that you have forgotten to file, contact the tax department immediately at 616-791-6880. If you file prior year returns and pay the tax and interest due, you may request a waiver of penalty. If the tax department contacts you first regarding unfiled returns, you will not be eligible for a waiver of penalty. We are continuing the process of electronically matching state of Michigan returns filed from a Walker resident address with Walker returns filed. If you have forgotten to file Walker returns from prior years, now is the time to get that cleared up before you receive an assessment from this compliance program.

## Estimated Payments

The first quarter estimated payment for 2020 Walker Income Tax is also due April 30, 2020.

If your employer does not withhold Walker Income Tax or you have non-wage income (rental income, capital gains, premature pension distributions, etc.) that is subject to tax and you think you may owe more than \$100 with your 2020 return, you must make quarterly estimated payments. The 2020 Quarterly Estimated payment vouchers with instructions can be found:

- In the 2019 Resident Forms and Instructions booklet on our website at: [www.walker.city/income\\_tax\\_forms.php#](http://www.walker.city/income_tax_forms.php#)
- By mail--call us at 616-791-6880

You must pay in at least 70% of your current or prior year liability (whichever is lower) through timely estimates, credits or withholding to avoid receiving a bill for penalty and interest for underpayment of estimated tax. If you need help calculating safe estimates, please call us for assistance at 616-791-6880.

Please note that paying all four 2020 quarterly estimates with the fourth quarter voucher due January 31, 2021 may result in a bill for penalty and interest for failure to pay timely estimates.

## E-FILE YOUR WALKER INCOME TAX RETURN

We will be accepting 2019 Walker resident and non-resident returns by e-file. If you use a paid tax preparer that e-files your federal and state return, they will be able to e-file your Walker return also. If you use TaxAct software/online tax program to prepare your own federal and state returns, you will be able to e file your Walker return. Visit the TaxAct site at taxact.com for more information. Please note that other software/online tax programs used for self-prepared returns (TurboTax, H&R Block, TaxSlayer) do not participate with Michigan local e-filing.

E-filed returns for tax year 2019 will be accepted beginning February 1, 2020. Processing of e-filed returns with refunds will not begin until mid-March. All W-2 forms due from employers by February 28 must be processed first.

# Grandville Walker Foundation

Hi, my name is GW and I represent The Grandville Walker Foundation. The Foundation is working to establish an endowment to invest in the communities to enhance the great places we live, work, learn, and play. A key role as a foundation is to address community needs, for both today and the future, and provide financial and non-financial support in the form of civic leadership and volunteer aid to the communities we serve.

We believe investing today lays the foundation to build our communities up for a stronger & brighter tomorrow. Investing in the community is done in a variety of ways. It can be something as small as a movie in the park or a new slide for a playground and as large as a community center. We are dedicated to supporting community programs, connecting people with one another, and investing in the Grandville and Walker communities to ensure they can thrive for many years to come. It starts with YOU, and your passion for our community. Help us build a stronger and sustainable community by sharing your time, talent, or treasure. ## WALKER AVENUE BRIDGE OVER COOPERSVILLE/MARNE RAILROAD

This summer the City of Walker is partnering with Bissell to remove the existing bridge over the Coopersville/Marne Railroad, just south of Waldorf Avenue. The Michigan Economic Development Corporation was able to give us a grant based on the pledge of a Bissell expansion and new jobs at their location on Walker Avenue. The grant will allow us to remove the aging structure and fix the poor sight distance associated with the bridge over the railroad. We will also be widening the railroad crossing to match the 4 lane sections both north and south.

As part of the project we will be both removing the bridge and raising the railroad to create an “at grade” crossing. After applying for grants unsuccessfully to widen and rebuild the bridge, we accepted MDOT’s challenge to find a way to reduce our bridge inventory. The railroad at this location is a low speed and low volume track. Both the railroad and the city are comfortable that rail traffic will not have a detrimental impact on the Walker Avenue traffic. This collaboration with the Coopersville/Marne Railroad has resulted in an agreement that makes them an active partner in the project.

What does this mean for residents and businesses this summer? We hope to kick off the project in late March. The first step will be in relocating existing utilities along the bridge. This includes gas main, phone lines and public watermain. Once these vital utilities are out of the way the bridge can be removed and the earthwork can begin to lower the roadway and raise the railroad. During this time Walker Avenue will be completely closed. We will work to restore emergency access as quickly as possible. We hope to have the roadway “open to traffic” in early August. The project will continue for another few weeks as we finish sidewalk replacement and restore the vegetation around the project perimeter. Project completion should be in late August.

This will be a significant inconvenience for drivers with destinations along this corridor. We will provide vital updates via social media and our web site during construction. Please remember that major construction like this takes time and we will all need to show some patience throughout the spring and early summer. The official detour will be to go east and use Alpine Avenue. Please plan ahead and allocate some extra time as you redirect via the detour or along other local roads like Bristol Avenue, Elmridge Drive and Kinney Avenue.

# KDL Library: Walker Branch

## VISIT KDL.ORG FOR PROGRAMMING AND EVENTS

Last January, we joined forces with Grand Rapids Public Library, Cedar Spring Public Library, Sparta Township Library, Kent Intermediate School District and Literacy Center of West Michigan to launch Mission: Read, a county-wide reading program designed to help young and beginning readers pass new Michigan reading proficiency requirements. The mission is to read for 1,000 days before 6th grade. So far, more than 2,600 children have accepted the mission, and numbers continue to climb. Our dedication to early literacy is not slowing down now. If you, like us, have a passion for getting kids excited about reading, please consider making a donation at [www.kdl.org/donate](http://www.kdl.org/donate) and directing your gift to Mission: Read.

As we reflect on some of the highlights of this previous year, we know that our success as an organization is due, in large part, to the dedication, loyalty and total awesomeness of you, our patrons. You show up and speak up. You take risks and try something new. You ask questions and give valuable feedback. You trust us to help educate your children, and maybe even yourself. You read, and read, and then read some more! We provide opportunities and you utilize them.

As we plan for an exciting 2020, we have you in mind... whoever you are. We do our very best to offer something for everyone, to be a safe and welcoming place for everyone and to make everyone who walks through our doors feel value and accepted. Whatever happens in the coming year at KDL, we want you to be a part of it.

Let's partner together to make 2020 the best year ever at KDL.

Keep coming, keep learning,  
keep growing!  
Lance Werner  
Executive Director, KDL

*Lance Werner, Executive Director of Kent District Library, has been appointed by Governor Gretchen Whitmer to the State Historical Records Advisory Board. Werner is appointed for a term commencing January 1, 2020 and expiring December 31, 2023. He succeeds James Cameron whose term expires December 31, 2019.*

## SUMMER READING

Coming for 2020 Summer Reading will become Summer of Wonder. **Summer of Wonder will start June 1** this year, with a few changes to the program. Kent District Library is responding to the needs of our patrons by updating Summer Reading to include STEAM and outreach while retaining the importance of reading. New focuses will include STEAM (Science, Technology, Engineering, Arts and Math) to help fight the summer slide in more than just reading, and reaching members of our community who are not able to partake in many of our library programs. We will continue to offer some really great performer programs like in years past.

## Toddler Time

Nurture your toddler's love of books through music, movement and stories while helping to develop their language, motor and social skills. For children ages 3 and younger with an adult.

*Mondays at 9:45 a.m. & 10:45 a.m.*

## Family Storytime

Read and sing together as a family. Enjoy stories, music, movement and rhymes that develop early literacy skills.

*Mondays at 6:30 p.m.*

*Thursdays at 10:30 a.m.*

## Rhyme Time Music and Movement

## HOW TO GET STARTED AT THE GYM...

One of the things we hear a lot when new members join the Walker Ice and Fitness Center is that people worry about not knowing what to do once they are here! WIFC is a great place to meet fitness goals and we want to make sure we help you reach those goals with the following tips:

**Learn the Equipment** WIFC offers free gym orientations to all gym members (these are by appointment – sign up at the Front Desk). During orientations, one of our knowledgeable fitness staff members will take you through the facility to give you a tutorial on our equipment. Use the time to ask lots of questions and you'll be able to try machines to ensure you're using them correctly.

**Have a Plan before you Arrive** Don't walk into the gym planning to "wing-it". If you do, chances are you'll spend most of your time walking around aimlessly, rather than working out. Plan a workout schedule for the week determining how many days to workout each week, which areas to focus on, types of training, etc. For complete newcomers, this probably seems overwhelming. But remember, everyone starts somewhere! There is a learning curve, it's a fun one and you'll see so many health benefits.

**Consider a Personal Trainer** A personal trainer can be invaluable. One of our certified personal trainers will work with you to help you learn proper techniques and form. They will introduce you to exercises and equipment you might not have used on your own. Personal training can help you succeed in your overall health and fitness goals.

Walking into a gym can be intimidating for a first-timer, but the more you go, the more comfortable you'll get. Don't compare yourself to others. Everyone is at different stages in their fitness journey and you've no idea where they started. Your only competition is you. Focus on your progress, your strength and your success. Be patient with yourself and be consistent. **We're glad you're here at the Walker Ice and Fitness Center – where active families play!**
